ARTICLE 7

Leaves

7.1 Personal Leave

All full time teachers will receive ten personal leave days per year. Part-time teachers of 50% or more will receive sick days on a pro-rated basis based upon the percentage of time employed. Unused sick days may accumulate from year-to-year up to maximum accumulation of ninety (90) days. Provided, however, that any teacher who had accumulated more than 90 sick days as of June 30, 2005 and who, while still employed as a full time teacher by Board, exhausts all ninety (90) of his/her sick days due to illness or injury will be granted additional sick days by Board not to exceed in number the difference between such teacher's accumulated sick days as of June 30, 2005 and ninety (90).

Teachers shall submit request to the building principal 48 hours in advance on appropriate form (provided by the school office). Emergency conditions may supersede the advanced notice; in this event, the teacher should fill in the request form upon his return to school.

If a teacher has taught in another school system and has accumulated sick leave, this school system will accept three (3) days from the previous system upon completion of the first year of teaching until transferred days are exhausted.

Teachers who are employed to teach summer school will not accrue any sick leave or personal leave, but may use up to two (2) days if a balance is available from the preceding school year. A teaching day in summer school shall be equal to a regular school year teaching day.

7.2 Family Illness:

All full-time teachers may be allowed up to two (2) days per year with pay (not accumulated and not deducted from sick leave) in case of serious illness, major surgery, or serious accident involving a member of the immediate family. The term immediate family shall mean spouse, parents, children, or a person who is living in the teacher's home as a member of the family.

7.3 Professional Leave:

A teacher shall receive two (2) days of professional leave each year, not accumulative. Teachers shall submit request to the building principal at least 48 hours in advance on appropriate forms (provided by the school office).

Additional days may be requested to attend extended workshops and travel to distant locations for workshops. Specific information (dates, purpose, location, etc.) must be provided the Administration ten (10) days in advance. Approval or denial of this request will be made by the building Administration and the Superintendent.

7.4 Jury Duty and Court Appearance:

Teachers who are required to serve jury duty shall, during the period of such service, receive full salary with jury check, less mileage, be tendered to the Superintendent within 30 days of such issuance.

A teacher shall be allowed a leave of absence without loss of pay and without deduction from any leave provision for all absences when he is subpoenaed as a witness for the School Corporation and/or any school related situation. If a check is issued, the check will be tendered, less mileage, to the Superintendent within 15 days of such issuance.

7.5 Extended Illness Leave:

A leave of absence without pay or increment may be granted for the purpose of caring for a sick member of the teacher's immediate family upon approval of Superintendent and building principal. The term immediate family shall mean spouse, parents, children, or a person who is living in the teacher's home as a member of the family.

7.6 Bereavement Leave:

1. Bereavement leave for each death shall be granted for a period not to exceed five (5) teacher days for father, mother, brother, sister, husband, wife, child, father-in-law, mother-in-law, brother-in-law, sister-in-law, daughter-in-law, son-in-law, grandparent, grandparent-in-law, grandchild, stepfather, stepmother, stepchild, or any other person who prior to death was living as a member of the household of the teacher.

2. In cases where multiple deaths occur in one incident, only one leave will be permitted.

3. In computing this leave provision, either the day of the death, or the day on which the teacher receives notification of the death, or the day immediately following either of these events shall be counted as the first day of the leave, at the teacher's option. Under special circumstances, the teacher may choose to delay all or part of the bereavement leave at the teacher's discretion.

4. Bereavement leave for each death of aunts, uncles, nieces, or nephews shall be granted for a period not to exceed one (1) teacher day.

5. A teacher shall be allowed to use one (1) day of bereavement leave to attend the funeral of a close personal friend to perform an active role in a funeral service (e.g. pallbearer, organist, vocalist, eulogist, etc.). If evidence exists that this provision is abused, the school board reserves the right to declare the day as unpaid leave.

7.7 Military Leave:

State and Federal laws prevail.

7.8 Maternity Leave:

A teacher who is pregnant may continue in active employment as late into pregnancy as she wishes, if she can fulfill the requirements of her position. Temporary disability caused by pregnancy shall be governed by the following:

Any teacher who is pregnant shall be granted a leave of absence any time between the commencement of her pregnancy and one (1) year following the birth of the child, if she notifies the Superintendent at least thirty (30) days before the date on which she wishes to start her leave. She shall notify the Superintendent of the expected length of this leave, including with this notice either a physician's statement certifying her pregnancy or a copy of the birth certificate of the newborn, whichever is applicable. However, in the case of a medical emergency caused by pregnancy, the teacher shall be granted a leave, as otherwise provided in this section, immediately on her request and the certification of the emergency from an attending physician.

All or part of a leave taken by a teacher because of a temporary disability caused by pregnancy may be charged, at her discretion, to her available sick days. However, the teacher is not entitled to take accumulated sick leave days when the teacher's physician certifies that the teacher is capable of performing the teacher's regular teaching duties. The teacher is entitled to complete the remaining leave without pay.

Adoptive leave without pay shall be granted up to one (1) calendar year. Upon initial application for the adoption, the teacher shall notify the Superintendent, of his/her intent to adopt. The period of leave shall commence when the child is physically turned over to the teacher-parent. The teacher-parent will provide the principal with a minimum of 30 days' notice of his/her intent to return.

7.10 Sick Leave Bank:

The Sick Leave Bank shall be a source for additional sick leave days when a bargaining unit member's sick and personal business leave is exhausted and they are unable to perform their normal duties.

A. Participation is voluntary.

- a. Teachers may join the bank by a voluntary donation of one (1) sick leave day during window period.
- b. The period for joining the bank occurs during the first 30 days of school.
- c. Donations to the sick leave bank may be made during the first 30

days of the school year and 5 days after the conclusion of the school year.

7.11 Award for Non-Use Days:

For the 2016-2017 school year, staff members that use five (5) or less sick, personal, and family illness days shall be awarded the sum of \$200 at the conclusion of the school year.

ARTICLE 8
403B

8.1

Each full-time, certificated teacher of the MSD of New Durham Township shall have the option of investing in a 403(B) plan administered by American Fidelity up to the maximum allowable under federal law. The Employer shall contribute 0.5% of each employee's regularly scheduled salary (including extra-curricular or other pay) annually into a separate 403(B) annuity retirement account for each employee.

- A. The Employer shall deposit employer contributions for each employee into an individual account for the employee into the tax deferred annuity program. Such deposits shall be made on a monthly basis.
- B. The American Fidelity agents shall be the sole administrator of employer contributions to the tax deferred annuity program.
- C. School employees will have the option of continuing to invest their dollars in tax-deferred annuities, which money is already being deducted from the employee's salary, if any, or another tax deferred annuity offered by American Fidelity.
- D. Once contributions are made by the Employer on behalf of the employee, all assets of the account become the property of the employee, except that the employee may not withdraw the annuity prior to retirement age or termination of employment, and, in the event of death, his or her designated beneficiaries or lacking same estate.

ARTICLE 9
Severance Pay

9.1

In November 2005, the parties bargained a retirement/severance buy-out that applied to all bargaining unit employees then employed. This buy-out extinguished former Articles 19, 20 and 21 of prior agreements. The parties acknowledge and agree that the Board

has satisfied all of its obligations to pay as required by the buy-out agreement. Copies of the language of the negotiated buy-out provisions are available in the Superintendent's office.

ARTICLE 10

Grievance Procedure

10.1

Definitions

"Grievance" is defined as any difference that arises between the Employer, and the Association, or one or more members of the bargaining unit, involving an alleged violation, misinterpretation or misapplication of this Agreement. (Established Policy Handbook).

10.2

Informal Level: An informal meeting between the building principal and the involved teacher will be held prior to the filing of a formal grievance in an attempt to resolve the problem to their mutual satisfaction. This discussion shall occur within 20 work days of the occurrence if the complaint is to be carried to the formal level.

10.3

Formal Level One:

If the problem is not solved at the informal level within the foregoing time limits, a formal written grievance (on forms supplied by the Association and signed by the grievant) may be filed with the principal within fifteen (15) work days of the informal meeting. The written grievance shall set out the section or solutions of this agreement allegedly violated, misapplied, or misinterpreted by the Employer, facts constituting the grievance and the remedy sought.

Within fifteen (15) work days after receipt of the written grievance, the principal will render a decision. The principal shall meet with the grievant and present his/her decision in writing to the grievant. The written decision shall state the Principal's reasons for supporting or denying the grievance. The Principal and the grievant shall each have the right to have a representative present at this meeting.

10.4

Formal Level Two:

If the problem is not solved at Formal Level One, the grievance may be filed by the grievant with the Superintendent in writing within fifteen (15) workdays of the principal/grievant meeting.

After considering the written grievance and the principal's written decision, the Superintendent will meet with the grievant within fifteen (15) workdays in an attempt to resolve the grievance.

Within fifteen (15) workdays from meeting with the grievant, the Superintendent will render a decision in writing.

10.5

Formal Level Three:

If the grievance is not resolved in the previous steps, either party may make a request in writing for arbitration of the grievance by asking the Federal Mediation and Conciliation Service to submit the names of ten (10) qualified arbitrators to the parties. A "qualified" arbitrator shall be deemed to be one who is a member of the National Academy of Arbitrators. The parties shall select an arbitrator to hear the complaint by alternately striking one name from the list of arbitrators until only one arbitrator remains, who shall be deemed appointed to hear the matter. The grievant shall make the first strike from the panel. Such request for arbitration shall be made within ten (10) work days after the Superintendent renders his/her written decision as set forth in Article 7.4, Step C.

10.6

The arbitrator shall have no authority to amend, revise, or delete any provision of this agreement and shall consider only the issue submitted to him for determination. The arbitrator's decision is final and binding on all parties.

10.7

The fee of the arbitrator shall be borne equally by both the Employer and the Association.

10.8

A copy of all grievance decisions shall be recorded in the Superintendent's office and the Association office.

10.9

The grievant and the administrator may have a representative of his/her choice present at any level.

10.10

In the event that the arbitration is scheduled during the time that school is in session, the Association president or his designee, and Association witnesses will be released to attend such hearing without loss of compensation. However, the Association will reimburse the School Corporation for resulting sub-teacher pay. The Association agrees to keep interference to the normal educational process at a minimum.

10.11

Article 10.5 through 10.7 and Article 10.10 do not apply to teacher discipline or dismissal proceedings.

ARTICLE 11

Educational Incentive

11.1

It is recognized that it is the teacher's responsibility to remain qualified in accordance with the laws of the State of Indiana and rules of the General Commission of Education of the State of Indiana.

11.2

A teacher will pursue additional education necessary to acquire a professional license. This pursuit should be a joint effort on the part of the teacher and the School Corporation.

11.3 Education Reimbursement:

In order for a teacher to be eligible for School Corporation reimbursement, the following criteria must be met.

The form "request for enrollment in the career incentive program" must be submitted and approved by the Superintendent prior to enrollment in the course; courses that are an integral part of a college approved Master's Program will receive automatic approval. Must be taken in the certification area or listed on the teaching certificate or have direct application to the field of education.

Must be taken during the time that the teacher is an employee of the M.S.D. of N.D.T. Must be substantiated with an official transcript or official grade report from the institution in which the work was taken.

Payment will be made as follows: A reimbursement of One Hundred dollars (\$100.00) per semester hour will be made upon the approved evaluation of the courses taken for a maximum of 6 credit hours per calendar year.

After submission of official transcript, the employer will have a maximum of twenty (20) school days in which to respond with payment or a reason why reimbursement was not made.

No payment amount can exceed the cost of the class.

The Employer and the Association do agree to the rates of pay stated on the extracurricular agreement. However, if a Certified Teacher held that position during the 2011-2013 contract year and still hold position, they shall continue to be paid the higher amount throughout the duration of their time holding that position until they leave the position.

Teachers who perform corporation approved work (such as curriculum and in-service training) on non-schol days shall be paid on the following basis.

Full Day \$50

Up to One Half Day \$25

Teachers must complete the stipend pay request form and receive principal and superintendent approval prior to participation in the activity.

Summer School Teacher paid \$100 a day.

WESTVILLE SALARY COMPENSATION MODEL

Distribution

In-line with state mandates, only staff members with successful evaluations, those receiving a score of 3 or 4 on their evaluations (otherwise known as effective or highly effective ratings) are eligible to receive raises. Should a portion of the total salary increment be unable to be rewarded, that amount shall be re-divided proportionally.

In the case where the state releases information necessary to complete evaluations after the beginning of the following school year, the teacher's association shall have the option to decide how the amount in arrears shall be paid, either as a lump sum or by dividing the amount among remaining checks in the fiscal year.

Staff must remain employed in the corporation during the following school year to be eligible for any potential raise or monies.

Staff must work 120 days during the preceding school year for an evaluation to be considered valid and to be eligible to partake in the distribution of monies of any kind.

New Practitioners Exception

Acknowledging that during the early years of employment, it is essential to the profession for staff members to find not only professional success, but also financial success, new practitioners shall be exempt from the correlation between evaluation and raises for the first two years of employment, as per Indiana Code, with the permission of the evaluation team. This applies only to those that are new to the profession, and not those who join our staff from other similar educational experiences.

Education and Experience

Education and Experience will account for 30% of the salary increment.

1) For every graduate credit attained between August 25, 2015 and August 24, 2016, an amount of \$25 shall be added to the increment. Graduate credits must be in an area directly related to the classroom experience in order to be credited.

2) For a year of experience during the year prior, an amount of \$0 shall be added to the increment

Evaluation

The Evaluation shall be worth the remaining 70% of the increase. For employees with a successful evaluation, as previously referenced, the sum total of the education and experience value shall be multiplied by 7/3 yielding the total to be paid for a successful evaluation, 7/3 being equivalent to 70% when factoring in the education and experience category.

Total

The education and experience total value and the value of the evaluation shall be totaled

to find the salary increment

New Hires

While it is understood that the WTA does not represent new hires, as they are not members of the TA, the opportunities being afforded new employees can affect what is available to all. In light of this fact, the administration shall use Westville Salary 2014-2015 Scale for New Hires with new hires to determine initial placement in the salary scale. When an exact correlation is not possible, the corporation must use vertical, horizontal, or diagonal averages in the scattergram to establish that person's base salary.

Salary Range

For the 2016-2017 school year, salaries range between \$22,250 to \$73,948.

The corporation shall maintain a scatter gram correlating years of experience prior to the 2014-2015 school year and successful evaluations from that point on with educational benchmarks noted earlier.

Memorandum of Understanding

Item 1: The Employer and the Association do agree that staff members will participate in parent-teacher conferences on the evenings of October 12 and 13. In exchange for this extended time role, staff members last day shall be May 30 absent make-up days.

Item 2: The Employer and the Association do agree to hold two virtual days (at the end of quarter 1 and at the end of quarter 3) during the 2017-2018 school year. Staff will be present on these days and will receive training on virtual instruction during the second semester of the 2016-2017 school year.
